

EMI Workshop  
Day 1  
9:00 AM - 4:00 PM

Topics / Themes	Content	Activities / Tasks
EMI Design	Introduction to EMI	View EMI teaching demonstration; Trainee's reflection; Roles & Responsibilities
Pedagogical Procedure	Structuring Instruction; Delivering the First Lesson	Discuss plan for trainee's presentation on Day 3
EMI Course Objectives: Lessons - Backward Design & SMART Models	The Structure of Instruction; Designing Lessons for Course Objectives	Analyze lesson plan structure
Pedagogical Strategies (I): Discourse Markers	Classroom Language; Discourse Markers & Signposting	Planning for a mini-lecture
Fluency & Accuracy	Segmentals; Vowels & Consonants	Practice with minimal pairs & tongue twisters

Day 2  
9:00 AM - 4:00 PM

Topics / Themes	Content	Activities / Tasks
Recap of Day 1		
Using AI in EMI teaching	AI Considerations and Limitations; Designing effective AI prompts for EMI teaching, assignments, assessments	Practice with AI prompt writing (laptops/iPads/computers for participants would be helpful)
Critical Thinking & EMI	How EMI supports Bloom's Taxonomy of Learning	Discussion
Pedagogical Strategies (II) Interactive Teaching Skills	Differentiation & Scaffolding; Student participation & engagement; Effectively using digital tools	Practical applications
Fluency & Accuracy	Suprasegmentals	Practice with enunciation, phrasing, syllable stress

Day 3  
9:00 AM - 4:00 PM

Topics / Themes	Content	Activities / Tasks
Recap of Day 2		
EMI Pitfalls	Troubleshooting EMI issues	Case studies
Teaching Demonstrations	Each teacher gives a 5 - 10 minute teaching demonstration	Peer evaluation, comments, & feedback
Conclusion	Q & A	Comments & Feedback
