選E	實驗藥理暨生化藥理學概論 Introduction to Experimental and Biochemical Pharmacology	3		3		理學組選修 Elective courses in the science program.
選E	中藥資訊研究 Information Studies of Traditional Chinese Medicine	2		2		英文授課，與生醫所博士班天藥組合開 ，理學組選修 1. Offered jointly with Graduate Institute of Biomedical Sciences. (taught in English) 2. Elective courses in the science program.
選E	藥廠與專利申請實務特論 Special Topics in The Pharmaceutical Factory and Patent Application	2		2		與生醫所博士班天藥組合開，理學組選 修 1. Offered jointly with Graduate Institute of Biomedical Sciences. 2. Elective courses in the science
選E	中草藥產業技術開發 Industrial Development in Chinese Medicine and Herbal Drugs	2		2		英文授課，與生醫所博士班天藥組合開 ，理學組選修 1. Offered jointly with Graduate Institute of Biomedical Sciences. (taught in English) 2. Elective courses in the science program.
選E	中西藥學專論 Pharmacological Monograph of Chinese and Western Medicine	2		2		理學組選修，碩博合開 Elective courses in the science program. Offered jointly with the master program.
選E	中西醫臨床結合醫學專論 Special lectures for Integrated Chinese medicine and Western meidicne	2		2		醫學組選修，碩博合開 Elective courses in the medical program. Offered jointly with the master program.

1. 畢業學分：28學分(含畢業論文6學分)。  
Graduation Credits: 28 credits (including 6 credits for the thesis).

(1) 必修學分：12學分(含校內實習必修0學分、校外實習必修0學分)。本組學生「專題討論」一、二年級每學期必修2學分，共8學分，三、四年級博士生，每學期均必須修習「專題討論」。「專題討論」於畢業前至少須通過8個學期，如提前完成學位考試或畢業手續，該學期及之後得免修。  
Required Credits: 12 credits (including 0 credits for internal internship and 0 credits for external internship). Students in this program must take "Seminars" for 2 credits each semester in their first and second years, totaling 8 credits. Doctoral students in their third and fourth years must also take "Seminars" each semester. Students must pass "Seminars" for at least 8 semesters before graduation. If they complete the degree examination or graduation procedures ahead of schedule, they may be exempt from that semester and thereafter.

(2) 選修10學分。  
Elective Credits: 10 credits.

(3) 論文6學分(通過學位考試並繳交通過審核論文後給予)。  
Thesis Credits: 6 credits (awarded upon passing the degree examination and submitting an approved thesis).

2. 本組學生畢業前於「專題討論」課程須至少一學期以全英文報告通過，以符合本班畢業英文門檻方可畢業。  
Students in this program must pass at least one semester of "Seminars" in English before graduation to meet the English proficiency requirement.

3. 具醫學或中醫學士並選擇醫學組者，須於醫學組選修科目中至少修得6學分，始得授予醫學博士學位。  
Students with a bachelor's degree in medicine or traditional Chinese medicine who choose the medical track must earn at least 6 credits from elective courses in the medical track to be awarded the Doctor of Medicine degree.

4. 選擇理學組者，須於理學組選修科目中至少修得6學分，始得授予理學博士學位。Students choosing the science track must earn at least 6 credits from elective courses in the science track to be awarded the Doctor of Science degree.
