

Step by step: apply for accessing laboratory animal vivarium

Procedure for Applying to Enter the Laboratory Animal Center (Conditions Before Conducting Animal Experiments)

2025-02-18

If you need to enter the Laboratory Animal Center (LAC).....

First Step

1. Apply to **register an account** for the “CGU Laboratory Animal Care and Management System”, and it must be **successfully activated**.

The website is as follows :

<https://acup.cgu.edu.tw/>

4. **You must attend the “Basic Laboratory Animal Handling Techniques Training Course” and pass the test** to qualify for handling laboratory animals.

- This course is offered once **every two months**.

- Course registration: A **system notification** will be sent with the **registration link**.

- The validity of the [Pass Certificate Card] is **2 years**, meaning the course must be taken again every 2 years.

2. Your name **must be included in the list of approved personnel** for the animal experiment protocol, and the protocol **must still be within its valid period**.

- Animal experiment protocols with **expired or invalid IACUC No.** are **not allowed** to conduct animal experiments.

3. **Your laboratory animals must be housed in the LAC**, or you **must have animals to be imported into the LAC in the near future**.

- If you do not have laboratory animals being housed in the LAC and have no animals to be imported into the LAC in the near future, registration for an access training course **will not be accepted**.

Second Step

You must attend an access training course and pass it, then your access right will be activated to enter the LAC for conducting animal experiments.

- Registration link: (On the LAC’s website)

- If you have not entered the LAC for **more than 2 months**, your access rights **will be revoked**. And if you need to re-enter the laboratory animal center, you must re-register for the access training.

Third Step

Conduct animal experiments.

Basic Laboratory Animal Handling Techniques Training Course

- This course is offered once **every two months**
- Passing the after-class quiz => [Pass Certificate Card] will be issued
- The validity of the [Pass Certificate Card] is **2 years**
- **You need to re-register and attend this course when the [Pass Certificate Card] is about to expire.**

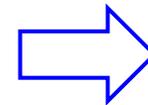

長庚大學動物實驗照護委員會
實驗動物操作技術課程通過證明

有效期限: 2022.04.21-2024.04.20 Expiration date
