

Dormitory Check-in Form

Most of CGU staff does not speak fluent English. In order to check into the dorm and collect the keys upon your arrival, you may show this form to the security at CGU main entrance and dormitory supervisor. They will be able to guide you.

Dormitory receptions are located on the ground floor of Ju De Building, Ming De Building or Yun De Building. The receptions are open 24 hours a day & 7 days a week; however, it is highly recommended to arrive at the dorm **before 10:00 PM**, as arriving later may disturb your roommates.
