Welcome to TAIWAN

Subsidy Items

NSTC will provide each participant with a **subsidy of NT\$1,000 (approximately USD 30) per day** for an internship period ranging from a minimum of **28 days** to a maximum of **90 days**.

The PI will receive **NT\$10,000 per intern hosted** as an internship operating expense.

Internship period and Quota

Up to **600** interns will be accepted in 2025.

Interns may begin their internships, lasting from **28 days** to 90 days, at any time between **June 2025** and **December 2025** after acceptance.

Applications must be submitted by September 2025.

Eligibility

Eligible applicants are undergraduate and graduate students of foreign nationalities studying abroad. Applicants should have expertise in Taiwan's key science and technology fields, including humanities and social sciences.

Host Institutions

Host Institutions primarily include universities, research institutions, and laboratories in Taiwan.
