FROM THE BUS STATION TO THE HEALTH MANAGEMENT CENTER (CHILDREN' S  
HOSPITAL - 2J)

Route Map 1: In the lobby of Taoyuan Chang Gung Bus Station, please follow the signs towards the escalator.

Route map 2: Take the escalator next to the toilets in the transfer station to B1.

**Route map 3:** Please follow the signs to continue to Chang Gung Underground Mall.

**Route Map 4:** Please continue along the route and walk to the end of the Chang Gung Underground Shopping Street.

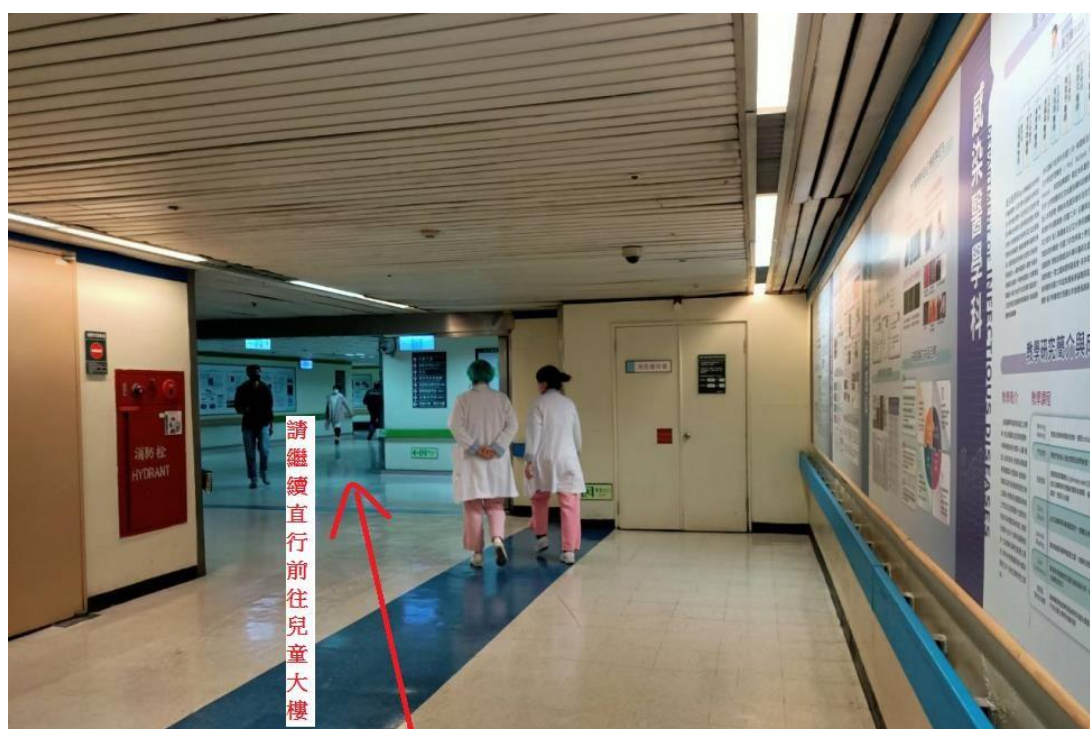

Route map 5: Head straight to the end to the Chang Gung Biotechnology Store, then turn left and continue straight.

Route map 6: Continue straight until the end of the hall, you will reach the children's hospital dental clinic area.

Route map 7: After encountering the elevator, please turn left and continue straight to the end.

After you reach the dental CT scan room, turn left and continue following the route to reach the elevator in Building J.

Route map 8: Upon arriving at Building J, please take the elevator to the 2nd floor.

**Route map 9:** Turn left at the elevator exit on the 2nd floor to reach your destination, the "Health Management Center".

## Route map from Children's Building (Building L) to the Health Checkup Management Center on the 2nd floor of Building J.

The entrance to the Children's Building is located in front of Airport MRT A8 Station:

Enter through Gate 12 of Building J in the Children's Building, turn right and walk towards an inner entrance. Then turn right again and continue.

Walk to the end, passing the Happy Family Bookstore. Then turn left and continue to the end. When you see the Cochlear Implant and Hearing and Speech Treatment Center, turn right.

Take the staircase on the left side of the Endocrinology and Metabolism Clinic. Go up to the 2nd floor and you will see the Health Examination Center.
